(Enclosure).

Copy of letter from the Honorary Superintendent, Government Fisheries, West Coast Stations, Calicut, No.483/19, dated 2nd May 1919:-

I have the honour to forward herewith for the favourable consideration of Government a petition from the leading members of the Mogear fishermen of Kalmadi, Kadavoor village, Udipi Taluk requesting the grant of a plot of punja waste land in their village for the construction of a building to be used as a school and a common hall for socio-economic purposes, and also a grant-in-aid towards the cost of the building which according to their estimate is likely to cost Rs.4,000/-

M 394 C.F
Rel: Govt

2. As will be seen from my previous communications regarding the steps to be taken for improving the condition of the fisher folk, I have put the building of a common hall for socio-economic purposes in the forefront of our needed reforms

(Vide

(Vide my letter No.533 dated 14-12-17) and I need not therefore dwell upon the same subject now. But in the present case, instead of Govt. having to spend the whole cost of the building, the petitioners are willing to contribute half of the amount required, and it is satis-factory to note that they have already collected a decent sum from among themselves towards the same and hope to collect the remainder as soon as the land is given to them. Government have been pleased to make a grant-in-aid for the construction of a Temperance Hall - for the use of the fishermen of Mangalore (Vide G.O.No.363, Home Education, dated 15-3-1917) and I would strongly recommend the -- present application for similar consideration.

3. As regards the land, I understand that it is a punja waste measuring about 50 cents. The Collector has refused to grant it to the petitioners unless it is to be used entirely for the accommoda-tion of the school; but as stated above, the building will have to be used not only for purposes of the school but also for holding meetings in connection with co-operation, temperance and other com-munal work. As these are items of work connected with the socio-economic improvement of the community, I earnestly hope that Govt. will be pleased to sanction the grant of the plot of land referred to in the petition, viz., Survey No.211 (1/H and 1/i-1).

4. I am proposing to open one of the village schools sanc-tioned in G.O.No.406 dated 6th March 1919, in this village, at present in a rented building but it will be removed to this new building when it is ready.

5. The plan of the village of Kodavoor containing the location of the plot of ground is herewith enclosed.

Endorsement thereon of the Director of Fisheries, Madras, Ref. No. 975-R/19-1, dated the 14th May 1919:-

Forwarded to Government.

2. It is recommended that the petitioners' request be granted.

From

Ag. Collector of South Kanara.

To

The Secretary to the Commissioners of
Land Revenue, M a d r a s.

Sir,

In reply to the Board's reference No.1127 Gt/19-1, dated 14th June 1919, on the petition of certain "mogers" (fishermen) of Kodavur village in Udipi Taluk, I have the honour to state that on behalf of the "mogers" (fishermen) of Kodavur village Soma Marakala, the first signatory to the petition under reference, applied for S.No.211/1H for constructing a building for being used both as a night school and as a place for conducting the business of their Co-operative Society and for discussing questions connected with the social and economic welfare of their Community. In view to alienate the land under B.S.O. No.24 for purposes of night school Soma Marakala, the manager of the night school, was called upon to give a statement agreeing to abide by the conditions given in paragraph 12 of B.S.O.24 and the additional condition of liability to resumption as required in G.O.No.1890, Revenue, dated 14th May 1918. But as he declined to make a statement agreeing to the condition stated in the above said Government Order on the ground that the building to be erected on the land is required not only for a night school but also for a temperance society, the application was rejected. There is no objection whatever to alienate the land if the manager of the night school, whoever he may be, gives a statement agreeing to abide by the usual conditions including the one specified above.

-S- 11-8 6

The allegation that the petitioners had applied for -- S. No. 211/1F & 211/1I1 is wrong. The land applied for was -- only 211/1F.

The enclosures to the Board's reference are herewith - resubmitted.
